Remarks:

The Examiner brought a number of informalities to the attention of Applicant's undersigned attorney in a telephone conference on March 1, 2005. These informalities are being corrected herein. Specifically, Figs. 1 and 2 are being amended to label them as Prior Art, the description of Figs. 7a and 7b in the Description of the Drawings is being corrected, and a description of Fig. 21 is being added to the Description of the Drawings. Both a marked-up copy of the amended figures and a replacement drawing sheet are being submitted. No new matter has been added in the description of Fig. 21, the basis for which is found in paragraph 127.

Claims 1-20 remain pending following entry of this Amendment B, and have been indicated by the Examiner to be in condition for allowance at this time. As such, Applicant respectfully requests entry of the present Amendment B and allowance of the application. Should the Examiner believe that the prosecution of the application could be expedited, the Examiner is requested to call Applicant's undersigned attorney at the number listed below.

Respectfully submitted:
